[Official Whitepaper v1.1 – 2025](#)

Base Network • Meme Utility Token • Global Pet-Lover Ecosystem

■ Mission & Vision

DogWifDrip (\$DRIP) is a meme-powered token built on the Base network with real-world impact. Our mission is to combine viral crypto energy with meaningful utility: supporting pet rescues, driving adoption, and creating a global pet-lover social ecosystem.

■ Utilities & Features

- SnoutSocial: A social media and adoption platform for pet lovers.
- Rescue Treasury: 5% of supply allocated to fund verified animal rescues.
- P2E Mini-Games: Pet-themed play-to-earn games that reward holders.
- AI Pet Assistant: Tools for nutrition, training, and care.
- Community Staking & Rewards: Incentivizing active engagement.

■ Tokenomics (1B Supply)

- 2% Liquidity, locked for 12 months (strong floor).
- 28% Burn Reserve to drive scarcity.
- 40% Growth & Community (Airdrops + Marketing) to scale adoption.
- 20% Treasury for tech and expansion.
- 10% Team, vested for transparency.

■ Roadmap

- Phase 1: Token launch, Website, Socials
- Phase 2: SnoutSocial alpha, Marketing push
- Phase 3: Mini P2E games, AI Pet Bot
- Phase 4: Partnerships, Listings on CMC/CG
- Phase 5: Global expansion, More utilities
